

# Guidelines for Speakers and Oral Presenters

Thank you for presenting at ATTD 2023

This page is designed to prepare you for your presentation at ATTD 2023. Please visit the page regularly for updates on technical requirements, deadlines and general information.

## Who are these guidelines for?

- Speakers
- Presenting authors of abstracts selected for oral presentation sessions.

The scientific program can be viewed on the Conference website [here](#).

## As a Speaker or Oral Presenter, you will need to:

All presenters are required to register for the **In-Person** Conference. If you have not yet done so, you may find information regarding registration by clicking [here](#). For any additional assistance please contact our registration department at [reg\\_attd23@kenes.com](mailto:reg_attd23@kenes.com)

**IMPORTANT:** Abstract presenters who have **not completed their registration by 5 December 2022** or have not emailed the ATTD abstract department ([ATTD\\_abstracts@kenes.com](mailto:ATTD_abstracts@kenes.com)) to confirm any possible special circumstances why they have been unable to register by that date, will be removed from the Conference's scientific program. In compliance with CME/CPD requirements all speakers and oral presenters have to complete a conflict of interest form. Forms will be sent to all presenters in the coming weeks. You will be sent login details to access and

complete a Publication Consent Form. In order for us to use a recording of your presentation in our scientific program, we need you to complete this form. Submitting a photo and short biography is **not mandatory**, however, it will allow the Conference attendees to get acquainted with your professional background before attending your session. The upload of this information is completed online in your profile area. The ATTD 2023 Secretariat will email you your login details and further instructions about completing the speaker profile in due course.

## PowerPoint Presentation Guidelines

- The first slide of your presentation must be your **name and presentation title**.
- The second slide should be the **disclosure slide**. You can simply list the conflicts on the second slide or write "Nothing to Disclose". Note: You need to address the disclosure at the beginning of your presentation for at least 30 seconds to allow enough time for the audience to review and digest the information. You can download a template [here](#).
- We recommend that you **label all slides that include unpublished data** with a title: "UNPUBLISHED DATA – DO NOT COPY OR DISTRIBUTE".
- If you include **video clips** with PowerPoint; the videos must be embedded as an MP4.
- Click [here](#) if you wish to use the general **ATTD 2023 slide template** for your presentation.
- Please bring your slides to the Speakers' Ready Room on a USB stick. The Speakers' Ready Room will be clearly signposted at the Conference.
- You are asked to only use the Conference computers in the session halls for presentation purposes. The

Conference will not be able to support lecture slides presented on personal computers.

- Please note that your slides must be finalized and ready on the day of your session.
- Please upload your presentation slides in the Speakers' Ready Room as soon as you arrive at the venue in the morning and at least 2 hours before the start of the session.
- If you include video clips in your PowerPoint presentation, be sure to test it with the technician in the Speakers' Ready Room at least 2 hours before the start of the session or as soon as you arrive at the venue in the morning. Please check with the technician if the sound and picture from the video are transmitted well and repeat the test again during the break before your session in the session hall to avoid technical issues.
