

Manuals and Technical Information

We are delighted to inform you that the 16th International Conference on Advanced Technologies & Treatments for Diabetes (ATTD 2023) will take place face to face. In addition to the in-person meeting, we will be offering **a limited number of hybrid opportunities** to provide you with the largest visibility and a platform to all those participants who choose not to travel.

Below you may find some useful information in regards to your preparation for the conference and different manuals and specifications.
